

# NEW CABLE LAWS NSW

## *Effective 1st July 2018*

“Electricians in NSW should ensure that certified cable which is not marked is used before 1 July 2018.

From 1 July 2018, all building wiring cable sold in NSW must be clearly printed with a mark that evidences the certification required by NSW law.

More information is available from NSW Fair Trading Electrical and Gas Unit at [electricalsafety@finance.nsw.gov.au](mailto:electricalsafety@finance.nsw.gov.au) or at [neca.org.au](http://neca.org.au).”
